## **Red Devil® Announces Onetime® Wallscapes Challenge**

Tulsa, OK – Red Devil®, a leading manufacturer of caulks, sealants, and painter’s hand tools, announces the Onetime® Wallscapes Challenge, which launches November 1, 2020.

With the Onetime® Wallscapes Challenge, Red Devil® invites everyone, whether a professional contractor, artist, or DIYer, to showcase the creative or innovative ways they use Onetime® Lightweight Spackling. The contest requirements are simple.

1. The project must include the use of Onetime® Lightweight Spackling in some way- ANY WAY!
2. Applicants must submit photos or videos that showcase their process for completing their project.

Applicants have the freedom to be as creative or innovative as they want. Whether an individual would like to create a pattern or texture on a canvas, wall, or ceiling, design a mural, showcase their innovative application technique or use Onetime to create a distressed effect on wood, Red Devil® encourages individuals to submit their projects. Submissions should not only show the finished project in photos or a video but also highlight the steps taken to achieve the finished result. Individuals can visit <http://onetimechallenge.com/> for more information and to submit their projects.

Onetime® Lightweight Spackling is a bestselling, award-winning Red Devil® product that is sold in more than 63 countries and can be used in many ways.
