

# Red Devil

## Stainless Steel Wire Brushes

Remove paint, grime, and scale with these stainless wire brushes. They are most appropriate for projects for steel and iron but may also be used on wood, aluminum, brass, and copper. They each have a comfortable handle grip and are safe for use with solvents.

### FEATURES:

- Easy grip handle
- Durable for tough jobs
- Great for use on masonry & steel surfaces
- Use to remove rust and corrosion

### USE ON:

- Wood
- Wrought Iron
- Copper
- Brass
- Concrete
