

Red Devil

Utility Holder - Pole Extension

The Red Devil Utility Holder is used to add length to your tool. Attach a pole and add length to your paint brushes, putty knives and more. Easy installation by screwing extension pole into the threads of the utility holder. Insert a brush or other tool and then tighten the screw belt a secure fit. Size is approximately 4 inches x 2 inches.

USE WITH:

- Paint Brushes
- Putty Knives
- Other tools
