

Red Devil

NOISE PROOF™

Acoustical Sealant

Noise Proof Acoustical Sealant is a water-based, latex sealant that reduces sound transmission while sealing joints. It can be applied to all openings and areas where sound transmission may occur. It remains flexible, won't harden or crack and is easy to apply.

FEATURES:

- Maximum Durability & Adhesion
- Long-lasting, Permanently Flexible Bond
- Low VOC
- Low Odor
- Barrier to Noise, Dust & Smoke
- Easy Water Clean Up
- Paintable

USE ON:

- Wood
- Concrete
- Gypsum
- Metal
- Plaster
- Drywall
- Ceramic Tile

SPECIFICATIONS:

- ASTM E-90
- ASTM E-84
- Meets ASTM-C834 Performance Standards
