

Red Devil

Tuf-Kut™ Auto Load Utility Knife

The Red Devil® Tuf-Kut™ Auto-Loading Utility Knife combines fast action, safe blade changing with a heavy duty ergonomic design.

Features:

- Designed with EZ Grip™ handle for a comfortable ergonomic grip – provides greater control and reduces operator fatigue.
- Unique Knife Magazine holds 10 standard 2-notch utility blades.
- Auto-load feature allows fast blade change with no extra tools required.
- Heavy duty, die cast body for increased durability, balance and control.
- Blade retracts for operator safety

Press the button to release used blade.

Slide the blade-advance button completely backward to refill new blade.

Slide the blade-advance button forward to use new blade.
