

RED DEVIL INDUSTRIAL

100% SILICONE Industrial Grade RTV

RD PRO® Industrial Grade RTV 100% Silicone Sealant is a superior high-performance sealing and glazing compound. The acetoxysilicone forms strong, durable and weather-resistant seals for joints and provides excellent adhesion to most non-porous surfaces. Ideal for use in most OEM and maintenance applications. This product is appropriate for use in federally inspected meat and poultry plants and conforms to Food and Drug Administration requirements.

FEATURES:

- Quick Curing
- Use Indoor or Outdoor
- Weatherproof & Waterproof
- High Temperature Resistance
- Approved for Use When FDA or USDA Certification is Required
- Applies Below Freezing
- Remains Flexible
- Won't Crack or Peel
- 50 Year Durability

USE ON:

- Seal Metal Cladding
- Fittings & Jacket
- Seal Sheet Metal Ducts
- Seal PVC Fittings & Jacket

SPECIFICATIONS:

- NSF Standard 51
- FDA No. 21 CFR 177.2600
- ASTM C-920-05
